Modern, sophisticated home offering showcase quality, style, class and River views

This beautiful family home, spread across three generous levels, boasts grand proportions and a sophisticated contemporary aesthetic that will appeal to the most fastidious buyer. It has been thoughtfully designed to make the most of its elevated riverside location and to maximise natural light, river breezes and water views.

Retreat to your own private sanctuary and wake up to the heart-lifting views of the shimmering Brisbane River and end the day relaxing against a backdrop of dramatic sunsets. Everything on a family wish list is here. Open plan living leading to an alfresco terrace and sparkling pool where you can entertain, enjoy drinks and dine with family and friends or indulge in some blissful me-time.

High gloss timber floors and a neutral palette accentuate the light-filled hub of the home located on the first floor. The designer kitchen enhances your culinary experiences and features stone benchtops, large oven with gas hob, walk-in pantry, plenty of storage and a breakfast bar.

Also on this level are a media room, a guest bedroom/study and powder room while upstairs family accommodation comprises a two-way family bathroom, four generous built-in bedrooms and a study. The sublime master suite is the perfect refuge for parents, with a luxurious ensuite boasting double shower and dual vanity, a walk-in robe, and a balcony overlooking the serene river vista.

A double garage and a carport with remote controlled doors are positioned on the ground floor with stair access to the interior of the home. Adding to the laundry list of features are a wine cellar, ducted air-conditioning, plantation shutters, ceiling fans, ducted vacuum maid, security system, intercom, abundant storage areas and a 5,000-litre water tank.

This coveted lifestyle, set amid lush, verdant landscaping, is conveniently located close to shops, quality schools, public transport and leisure facilities.
